EXPERIENCE

Architect Website

A responsive Architect website developed by me go to <https://github.com/NotChristopher/Architect-Website> to view the code used.

Javascript Dice Game

JavaScript Dice game. Go to <https://github.com/NotChristopher/dice-game> to view the source code.

Movie ReactJS app

A movie app developed using ReactJS. It uses TMDB.org api to display basic information regarding a selected movie. Check out the code @ <https://github.com/NotChristopher/movie-project>.

Check out my portfolio website @ <https://notchristopher.github.io/>

I developed it using ReactJS and you can check out the about section to learn more about me.
